Chocolate is a given on Valentine's Day...and the beautiful limited edition **Made with Love** set from **MIYU Beauty** is a little bit of chocolate, a little bit of beauty, and a whole lotta love.

**MIYU Beauty** is a fabulously elegant niche line from Canada. It is all about beauty from the inside out, pairing artisanal teas with skin care products. The **Made with Love** set (\$50.00, retail value \$65) is a great way to get acquainted with the line if you haven't already.

The LE set includes:

- 1 – *hydrate mi beauty essence*, 2.7 f. oz.
- 1 – *hydrate mi beauty tea*, 16 sachets
- 1 – *love sweet love chocolate chai loose tea*, 25 g pouch
- 1 – *heartstrings loose leaf tea infuser*
- 1 – *mini wooden spoon*

I was lucky enough to be sent the *love sweet love chocolate chai loose tea*, *mini wooden spoon*, and *heartstrings loose leaf tea infuser* to try.

The *love sweet love chocolate chai loose tea* has a great mix of ingredients, including zingy ginger, warming green cardamom, and actual chocolate chips. The best way to make this tea is to scoop some out with the adorable *mini wooden spoon* into the super cute *heartstrings loose leaf tea infuser*.

The tea infuser has a little latch so the heart doesn't sink to bottom of your cup as the tea steeps. Drinking this tea is like getting a big hug from the inside out.

While I didn't get the entire **Made with Love** set, I actually reviewed the other items in the set last December.

The *Hydrate Mi Essence* is a spray mist serum. It is a primer for moisturizer, as well as a primer for makeup, too. It hydrates and smooths skin, creating an optimal canvas for makeup application.

The *Hydrate Mi Beauty Tea* is the matching tea blend for the *Hydrate Mi Essence*. This is an elegant, citrusy tea that smells as delicious as it tastes. After I drink the tea, I put the bags in the fridge and use them later as a de-puffing eye treatment!

**MIYU Beauty** **Made with Love** is a perfect Valentine's Day gift. This is limited edition and once sold out it is gone, gone, gone – so be sure to order yourself one today! – Lisa
