

GLOWING SKIN

With winter coming around the corner, keep your skin radiant and hydrated with these top product picks.

GEL MASK: Super B5 Hydration

Use this lightweight and fast absorbing gel mask 2-3 times a week for super hydration and suppleness. This mask is Oxygen infused with Hyaluronic Acid to increase moisture, and accelerate skin healing. 20 pcs/pkg. inufskincare.com

SO...SOAP Body Wash

This is a 100% plant based product with natural essential oil. "There's no need for moisturizer afterwards!" says SW. It does not contain chemicals or palm oil. More so, the bottles are refillable and made out of recycled soya bean bottles. Locally handmade with soapmaker's LOVE.

"Happiness and confidence are the prettiest things you can wear" Taylor Swift

NOURISH

FROM THE INSIDE OUT

Inspired by the philosophies behind Eastern medicine, MIYU is the first beauty brand to pair luxurious skincare with artisanal teas to nourish skin from the inside out. Believing in the power of combining external and internal beauty remedies, MIYU strives to achieve both effective and lasting, youth-preserving results. The signature skincare + tea pairings target life's age-accelerating concerns such as environment, stress, lack of sleep and poor diet.

ADVERTORIAL

Soothes stress-induced irritations and find inner calm with the DE-STRESS MI pairing set.
