7 Beauty Teas to Try + Giveaway!

November 26

I'm on a tea kick. Maybe it's the chilly weather or my propensity for nesting, but more likely it's all of these gorgeous teas that do all of these good things for my body + spirit. My dear and most gracious friends at Redstamp (unfamiliar? prepare for mind. blown.) asked me to share some of my favorite beauty blends on their brilliant lifestyle blog. Along with a some kick-ass Minnesota mugs, they're surprising a few lucky readers with the gift of tea. I can't think of a lovelier reason for you to cozy up and enjoy some much-deserved me time. Head on over to Redstamp and say hello!
