The Deal: MIYU BEAUTY Hydrate Mi and De-Stress Mi Beauty Essences—50% Off
 Regular price: \$34
Lucky Breaks price: \$17

How to get it: Go to www.miyubeauty.com/skincare and enter "luckydaily3" at checkout.

The concept behind **Miyu Beauty**? Let's call it an artful fusion of the latest scientific advances and traditional Chinese beauty secrets. **Today only, two skin-perfecting facial mists are 50 percent off:** The De-Stress Mi (shown), which soothes with calming ginger and honeysuckle and rejuvenates with a gentle peppermint fragrance, and the **Hydrate Mi**, which acts like a drink of water for your skin, leaving your complexion dewy and hydrated. Both amazing mists are packed with vitamin- and antioxidant-rich ingredients (meaning they double as a serum) and come in packaging with a chic French patisserie vibe. We're feeling better already!

Offer ends at 11 a.m. ET on February 27, 2014, or while supplies last. Discounts and prices do not include shipping or taxes.
