**GOOD EARTH** Here is an extra-virgin olive oil that is not only organic and fair trade, but also produced by beleaguered farmers in Palestine. The Jerusalem Blend Olive Oil is among the many high quality exports from Palestine carried by **Canaan Fair Trade**. Purchase of this olive oil and other Palestine products from Canaan supports small-scale farmers throughout the West Bank of Palestine.

**FAB FOUR** We love **Miyu Beauty** for its pairing of luxurious skincare with artisanal teas. If you're new to the brand, try its introductory four-piece A Prettea Little Tea Quartet set. It includes two tea samples and two beauty essences to lovingly hydrate and soothe complexions from the inside out.
