Some of our editorial staff is sharing their baggage with us today, the good kind of course!

We took a peek inside to see what both, (assistant editor) Alyssa Beltempo and (editor-in-chief) Christopher Massardo can't go with out when it comes to their day to day.

Alyssa

1. Notebook & pen: From a supply closet at my principal client. They keep me so busy they get their own notebook and it's always handy to carry a pen. You never know when you'll need it!
2. Fresh Sugar Lip Treatment from Sephora: I don't wear lipstick but when I want to feel grown-up I wear this; it gives my lips just enough colour and keeps them healthy at the same time!
3. Sephora Mirror: Because I like being the girl who whips out a mirror for someone else in those social times of need!
4. Kate Spade Sunglasses from Merivale Optometric: Because everyone needs a great pair of shades.
5. Vintage Cigarette Case: It makes a great business card holder.
6. Measuring Tape: I kept forgetting it when I needed it so keep it with me all the time.

Christopher

1. Rich & Touch Cocoa hand butter because I like keeping my hands soft (especially during the colder months).
2. MIYU beauty de-stressing spray; which is an amazing quick fix for dry/sensitive skin!
3. My wallet, it comes in handy when I have to pay for things and etc.
4. Chanel sunnies, cause, well, Alyssa said it best "everyone needs a great pair of shades".
5. A bow tie, because you never know when you have to go from charming to dapper!
6. Lint roller, I have a kitty, nuff said.
7. GUESS watch, every man needs a good watch!
8. a pen, for writing stuff.
9. Notebook for keeping the written stuff (see above haha)
