VALENTINE'S DAY GIFT GUIDE

Valentine's Day is just around the corner! I don't know about you, but I have always enjoyed planning a decadent meal at home to celebrate Cupid. It's much more cosier and intimate than going out to a crowded restaurant. And it's the perfect occasion to indulge in delicacies and sweets. For me, this special day is about simple, yet elegant details to make your loved one feel extra special. While flowers and chocolate will always win a woman's heart, sometimes a delicate gift can add many spark to the day. Here is my curated Valentine's Day gift guide:

Lancôme My French palette, eye shadow palette from the French Innocence Spring collection \$68

Make Up For Ever Tease Me nude lip trio inspired by the Fifty Shades of Grey movie \$38

Chanel Coco Noir Eau de Parfum \$114/50ml

Tiffany & Co. Enchant heart pendant in Rubedo \$635

La Couleur Couture shade 1950 vegan friendly nail polish \$12.99

Miyu Beauty Made With Love Kit \$50

Chocolates from Suite 88

And one of my favourite reads...*Love in the time of cholera* by Gabriel Garcia Márquez

Have you read this book? Isn't the most beautiful love story of all time?

Catherine
