

Stocking

Finding the right stocking stuffers are a bit like Goldie Locks and the Three Bears – they should not be too expensive because you want lots stuffed in the stocking, they should be small enough so you can fit them in all angles of the stocking and most important of all they should not be fruit or nuts!

Up!

*MIYU Hydrate
Mi Beauty Tea*

The unique idea behind the MIYU brand is to blend teas specifically to counteract dehydration and stress on the skin. The hydration blend focuses on fighting off free radicals and delivering a high dose of vitamin C to improve collagen production. The adorably delicate packaging is an added bonus

Perfect size at the perfect price! Philosophy totally captured the concept of stocking stuffers this year with these cute tree ornament style gifts. All in one shower gel, shampoo & bubble bath in delicious scents – simply scrumptious!

*Too Faced
Jingle All The Way*

This neat little palette is best described as a more than one in many ways stocking stuffer! Sure you get all the great day to night looks with eye shadows, blush and bronzer but you also get the fancy Too Faced iPhone 5 cover that brings it so nicely together

*Lorac Rockin'
Red Hot Lashes*

Not often found in a gift pack, Lorac managed to find two perfect partners with a little added sparkle! The studded lash curler will never be lost in the makeup drawer and the Pro Mascara is a long-time favorite of Lorac lovers
